Many Farm Sales

Approximately \$50,000 worth of land has changed hands within the past week. Clovis land dealers are kept quite busy showing the prospectors the country and closing deals.

J. P. Bierlien, of Independence Mo., bought five quarters northwest of Clovis from W. L. Mansfield and two quarters from Cash Ramey. J. B. Calner, of Indiana, bought a quarter section 10 miles northwest. He will put up a good substantial house and otherwise improve the place.

C. M. Casey, of Oklahoma, bought a quarter seven and a half miles northwest. Pigman and Cherry have been engaged to sink him a well.

Sterling Sharp, of Speedwell, Tennessee, bought the Dr. J. L. Prince place 10 miles northwest of the city.

The C. F. Copeland farm, five miles west, was sold to J. F. Sharp, of Speedwell, Tennessee.

The sales above given were made by W. L. Mansfield during the past week and the following were made by Ramey and Wilkinson:

Hignfill and Sanders have purchased six quarters near Claud.

A. C. Fent has purchased the Harding place in the Ideal School House neighborhood.

The Guy Simpson half section four miles north and four west has been sold.

Monroe Lee purchased a half section four miles north of Texico.

D. C. Meyers, of Cookville, Texas, purchased the Mal Bryant place.

Many sales have been made by other dealers and from all reports, the rush for Curry County land has hardly begun. As yet the land is very reasonable in price, the places sold bringing from \$5.00 to \$8.00 per acre.

Lone Star Yard Sold

One of the largest deals made in Clovis in recent months was consummated last Tuesday night when the Lone Star Lumber Yard on West Grand Avenue was sold to J. M. Petty, of Wichita, Kansas. The property was not included in the transaction, only the stock of lumber, paints, oils, fuel etc, being sold.

K. C. Childers, who has successfully conducted the business of the Lone Star Company in Clovis for over eight years will sever his connection with the concern, but will remain in Clovis. Mr. Petty comes highly recommended as a lumberman as he has had ample experience and understands the business thoroughly. The News joins the business men of Clovis in extending him a welcome hand on entering our business circles.
